

Internal Vacancy Announcement

HR Manager (UK)

Scapa's vision is to be a world class, inspired, market driven team, focused on optimising customer and shareholder value through responsible, agile delivery of specialist tape solutions.

As part of our aim to be a World Class, market driven team, and strengthen our ability to deliver appropriate web-based, business driven systems we have identified the need for a HR Manager (UK) based in Ashton reporting into the Group HR Director.

This role is to provide a comprehensive solutions-focused HR service to the Management team and employees at the UK based sites, including Head Office functions. The role will identify and deliver effective HR policies and interventions that support the business objectives.

The individual will be required to work closely with the site management teams to maximise the productivity, effectiveness and engagement of employees.

The ideal individual will have a minimum of 5 years post qualification experience, specifically gained within a multi-site manufacturing environment.

The individual must have excellent understanding and interpretation of Employment Law, 'best practice' HR methodologies, policies and procedures. It is essential that this individual is able to influence and build relationships with key stakeholders within the business.
