

Competitor Profile: CHENGDU CENTRAN INDUSTRIAL Co., Ltd

Location: 16F Block A
Wangao Building
No. 8 Xinnan Street
Chengdu 610041 Sichuan
PR China

Web Address: www.china-centran.com

Company Summary:

Centran Group is situated in the South West of China.

It is a high tech enterprise of scientific research, development, manufacturing and marketing.

The group was founded in 1997.

Centran has grown up as the largest supplier in South West China for raw materials for the cable industry. It is an exclusive distributor for specialist overseas and domestic manufacturing companies that are world leaders in producing raw materials used in the fabrication of optical cable and copper cable, test and measurement equipment and products used for installation and maintenance of optical fibre cable in the wire industry.

In 1998, Centran Industrial Co. Ltd. Was formed to produce waterblocking tape and yarn. They are also manufacturing nonwoven waterblocking tape and semi conductive shielded wrapper for power cables, communication cables and optical cable.

They have invested a lot into research and development and are aiming to expand into the domestic and overseas market.

Centran Group has ISO 9001

Financial Summary & Highlights:

Research on-going

Market Activity:

Generally domestic but looking to expand overseas.

Geographical Activity: China

Key Product Ranges:

Non-conductive Waterblocking Tape

Polyester nonwoven fabric

Single sided non-conductive waterblocking tape

Non-conductive waterblocking tape

Double sided non-conductive waterblocking tape

PET laminated non-conductive waterblocking tape

Semi-conductive Waterblocking Tape

Double sided semi-conductive waterblocking tape

Single sided non-conductive waterblocking tape

Semi-conductive laminated waterblocking foam tape

Semi-conductive nylon tape

Semi-conductive tape

Yarn

Waterblocking yarn

Polyester yarn (Copper cable)

High tension polyester yarn (optical cable)

Tape

PP strapping binder

Marking tape

Co polymer coated aluminium tape

Co polymer coated steel tape
