Safety Opportunities

On the second Day after the closing 10.08.2010 we had on the Site in Rorschach an accident with an incurred person. One Employee from the Shipping was driven with an electric hand trucks in his foot. It happens because of failure handling of the vehicle.  
Injury: Bruising and cuts in the foot. Thanks to the safety footwear could be avoid a worse violation.  
Measures: Instruction

In the month August there have been reported 17 Cases, which 11 affects the coat-ing; 5 cases with high risk and 6 cases with medium or low risk. 10 cases have al-ready been done, thereof 5 cases with high risk.

2 Safety Briefs have been given in August. Correct handling with a electric hand trucks and our Safety instructions of the Rorschach Site.
