Dear Mr. Timm:

Congratulations! Your organization has earned the distinction of becoming a 2009 Waste Reduction Awards Program (WRAP) winner. As a recipient of this year's award, you will be recognized both locally and statewide for your efforts to reduce, reuse, recycle, and buy recycled.

This year's honorees have diverted over 2 million tons of materials from landfills. This diversion results in a significant reduction in greenhouse gas emissions. As an added bonus, these voluntary waste reduction efforts have saved over \$100,000,000 in operating costs to these businesses.

The California Integrated Waste Management Board (CIWMB) is eager to publicize your achievement and has distributed a formal press release with a list of all 2009 WRAP winners to local and statewide media representatives. We also have found that media are more receptive to locally generated stories, so we urge you to directly contact your local media and encourage them to run an article regarding your accomplishments. Local press can also contact Beatriz Sandoval of CIWMB's Office of Public Affairs at (916) 341-6751 or (916) 341-6300 for supporting information and obtain a copy of the press release at www.ciwmb.ca.gov/PressRoom.

As part of the winner's package, the WRAP winner logo is available for your promotional use in various formats at www.ciwmb.ca.gov/WRAP/logo/2009/. The WRAP logo is a recognized marketing tool and serves as encouragement for other businesses and patrons to follow your example. Enclosed with this letter is a decal of the WRAP logo and your 2009 WRAP Winner Certificate.

If you have questions regarding WRAP or our other business waste reduction programs, please visit our website at www.ciwmb.ca.gov/WRAP/, or contact your CIWMB local representative. Contact information can be found at www.ciwmb.ca.gov/LGCentral/Reports/Contacts.aspx.

Once again, we applaud your voluntary efforts to reduce, reuse, recycle, and buy recycled! Your waste reduction activities are helping to move California toward a healthier future. We look forward to your continued efforts and future improvements in waste reduction.

Sincerely,

Margo Reid Brown
