Hi Karim

I ve numbered the samples sent (from 1 to 6) please see the comments below:

- 1)previous supply; ok (i' ve sent it to compare both of supply)
- 2) Side I) liner close side it seems ok
Side II)open side it seems that the adhesive lack
- 3-4) Not ok
- 5) You can see a side without adhesive(shaft) ,
- 6) wrinkles
