Safety Opportunities

Reportable Accidents: 1 accident at work of 23.04.10 with 5.5 the loss days (already one reported)

Last month, we have found 34 unsafe conditions or acts. 11 have already been improved or done.

The 34 cases they divide as follows:

6 example with high risk (for example: collision protection for shelves, electrically conductive hose for the glue to the squeegee, secure wheels on racks, etc)

16 examples with middle risk (for example: Protection approach for storage rack, electrically conductive hose for glue to blade, Protection reach into rotating rollers, secure hold of the wheels on mobile devices)

12 examples of low risk

18 examples release costs to the recovery.

Training of warehouse employees on personal protective equipment.
