

## **EUROPEAN TECHNICAL SERVICE**

### **Announcement**

I am pleased to announce that **Elise DELORET** will join the European Technical Service team from 5th of October as a Technical Service Engineer for the Medical Market.

Elise will provide technical support to the European medical sales team and customers.

Elise has been working for Scapa since November 2004 as Business Development Manager for the medical market. This previous experience will allow her to quickly become an active member of our Technical Service team.

Elise will work from the Valence site and will report to the undersigned.

Please join me in welcoming Elise to the team and wishing her success with her new position.

Christophe CHAUVIN  
European Technical Service Manager
