Subject: Commercial Planning Manager - Dunstable

---

It is with regret that I announce Wendy Chasney has taken the decision to leave the business to pursue her career outside of Scapa with effect from 15<sup>th</sup> January 2010.

Wendy has, over the last 19 years, contributed much to the success of Scapa and Dunstable, and I would like to acknowledge her commitment, and also her efforts and achievements during her time as the Commercial Planning Manager for the site.

Recruitment for a replacement will start immediately, to allow for a period of handover, please see the intranet and notice boards for details of this vacancy.

I am sure you will all join me in wishing Wendy the very best of luck for the future.
