

17 November 2009

Scapa Europe – Andy Woodward

With effect from 17 November 2009, Andy Woodward will be leaving Scapa to pursue other interests. Andy has worked for Scapa in a number of senior roles, both in Europe and North America, for 16 years, and we thank him for his hard work and contribution during that period.

With immediate effect the European team will report to Brian Tenner.

A handwritten signature in black ink, appearing to read 'Heejae Chae', is written over a light blue horizontal line.
