Hallo Necmi,

Können wir 2420 in 9.5 mm abstechen? Bitte mir und Elke Bescheid geben.

Hallo Elke

Wenn es geht, dann bitte IJF, wenn nicht, dann nicht.

Gruss

andy

Tanya

Can you check with Switzerland if they have an existing SKU for the P2420 in a 9.5mm x standard width?

If so we need costing and MOQ

Chris

Adheco does have log slicing capabilities. That might be an option for them as well on this product and may be another option for them?
